# Broughton Association

## 200 Club Rules

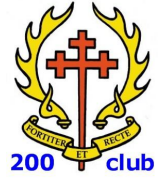

1. The club raises money for the Broughton Association (a sub-committee of Broughton High School Parent Council) through monthly draws.
2. Participation in the draw is by purchasing numbers, which are allocated by the Club Coordinator; each number costs £1 per month, with a minimum commitment of 4 numbers (ie £48 per year).
3. All payments must be made monthly by bankers order.
4. Five cash prizes are awarded each month, sharing 40% of the gross monthly income.
5. Prize draws will be held each month, with an additional free Christmas draw.
6. Winning numbers are selected by electronic random number generator; where the same number is generated more than once, only the first appearance will win a prize.
7. Numbers for which payment has not been made will not be eligible to win a prize; regular failure to pay may result in membership being terminated.
8. Winners' names and numbers may be published by the Association to promote the Club; a full list of winners and winning numbers is available on request from the Club Coordinator.
9. Bank charges and administrative costs will be met from the retained income.
10. Club records may be stored on a computer, and will only be used for administration of the Club and communication with members.
11. The Club Coordinator is responsible for the administration of the monthly draws, and for the accurate maintenance of all financial and membership records of the Club.
12. The Club accounts will be audited annually by independent auditors; a copy of the accounts will be made available on request.
